

Dear Esteemed Staff,

As we reach the end of yet another remarkable year, I would like to take a moment, on behalf of the management team, to express our deepest gratitude to each one of you for your dedication, and outstanding contributions to Waterberg TVET College.

The successes we have achieved in 2024 would not have been possible without your commitment to excellence. From navigating the challenges of our dynamic education landscape to supporting our students in their academic and personal growth, you have been the backbone of this institution. Your efforts have not only elevated the reputation of the college but have also transformed countless lives, paving the way for a brighter future.

This year, we celebrated milestones, tackled challenges, and embraced opportunities to grow together as a team. Your hard work, innovative ideas, and collaborative spirit have been truly inspiring. Whether in classrooms, administrative offices, or campus grounds, each of you has played a vital role in shaping our success story.

As we prepare to step into 2025, let us reflect on our achievements and continue to build on them. Together, we will face the future with renewed energy and a shared commitment to excellence in education and service to our community.

For now, I encourage you to take this well-deserved break to rest, recharge, and spend precious moments with your loved ones. May this festive season bring you joy, peace, and fulfillment.

Thank you for your extraordinary service, and we look forward to another productive and inspiring year ahead.

Warm regards,

11/12/2024

Mrs. Dipela KR

**Principal, Waterberg TVET College
On behalf of the Management Team**
